THE BRAND:

Caterpillar® has always been about more than heavy equipment. It's been about people - earnest, industrious, skilled people. People who require as much from their eyewear as they do from the tools and equipment used in construction. Whether the most intense job, extreme climate or demanding task, Cat® Eyewear offers function, performance and durability when you need it most.

Cat Eyewear has been built to last. Rugged, hard-wearing frames that have been carefully engineered, ensuring that every millimeter of metal and acetate have been intelligently considered. Featuring XL fit, make Cat Eyewear your go-to line for hard-to-fit men.

ENGINEERING:

CAT Designed for active and industrious men that seek comfort and style

CAT Sizes from 55-60 eye (XL FIT)

CAT Hi-tech quality materials: acetate, stainless steel and titanium

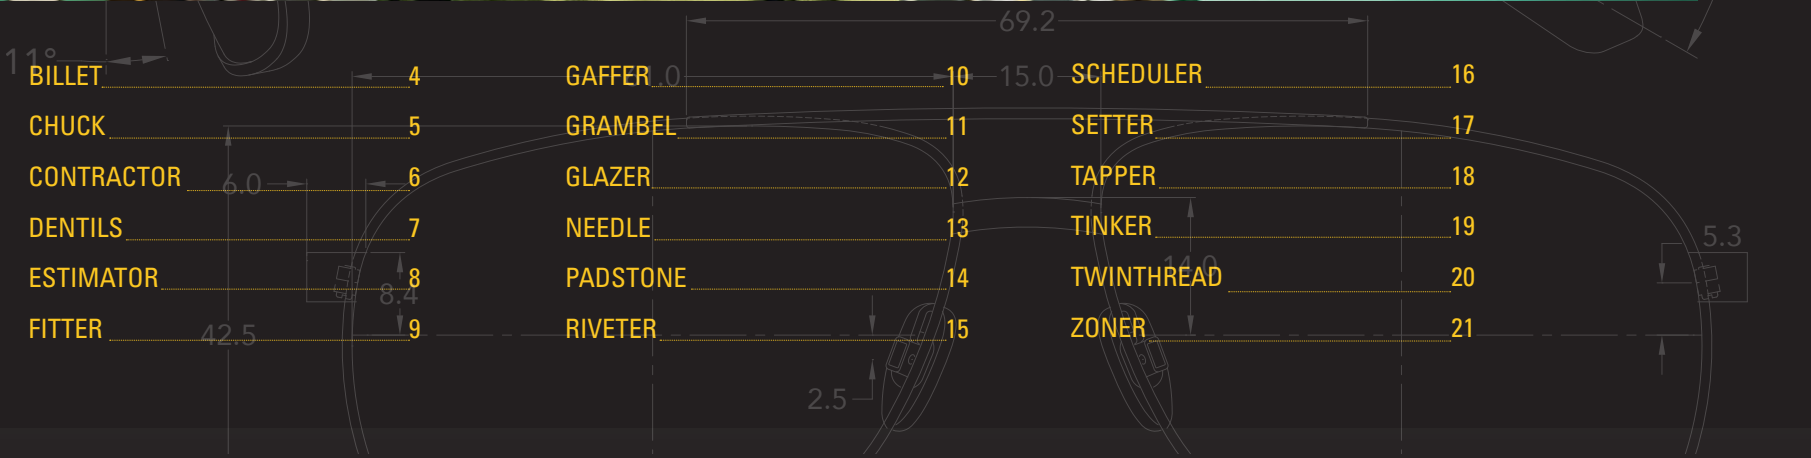

CAT Superior engineering, quality and robustness

CAT Machine inspired temple details
